PROFESSIONAL PROFILE

I am a 3rd year Mechanical Engineering student with a strong passion for **CAD design, coding, and problem-solving. Skilled in CATIA, 3D modeling, Python, and Data Structures & Algorithms**, I enjoy working on projects that combine creativity, technical knowledge, and practical application. I aim to leverage my engineering background and IT skills to contribute to innovative solutions in software and design domains.

EDUCATION

Mechanical Engeeniring (Pursuing) 2023-27

Sant Gadge Baba University Amravati

- **Minor With Machine Learning**

INTERNSHIP

Microchip University (Virtual Internship)

- Creating Simple Embedded Applications with 32-bit MCUs/MPUs using the MPLAB® Harmony v3 Peripheral Libraries
